Dear Kerri:

LRTC's inspections of railroad track in the area of the track scale and at the Sims By-pass have discovered damaged track to the extent that immediate repairs are necessary to continue safely operating the railroad. LRTC will schedule repairs and operations as follows:

Friday	Day Shift	Shutdown for repairs
	Night Shift	Operating
Saturday	Day Shift	Operating
	Night Shift	Operating
Sunday	Day Shift	Shutdown for repairs
	Night Shift	Shutdown
Monday	Day Shift	Shutdown for repairs
	Night Shift	Operations (repairs scheduled to be completed)

Please coordinate your week end railroad schedule with the repair schedule.

Regards,

Mike McCoy  
Project Coordinator
